DAYTONA BEACH HOME**

After forcing open a back window by using a jimmy, burglars completely ransacked the home of Mrs. Charles Lawrence, 321 Vermont avenue, Marshall Park. Saturday night, between 7:30 and 11:30 o'clock, and secured a loot valued at approximately \$1,000, consisting of very valuable gowns, women's wearing apparel and an expensive mixer for coffee.

The burglar or burglars making the haul were evidently professionals with much experience, as the house was completely ransacked and nothing but the very best of material taken.

The burglary was effected while Mrs. Lawrence, who lives in the home with her small daughter, was attending a dinner at the Chardon hotel. Upon her return Mrs. Lawrence noted the situation and the burglar and his accomplice having been called down and upon investigation of the bedroom found clothing and other articles scattered in the four ward and several expensive gowns and a sink for piece among the messes.

The entire first and second floors of the building had been thoroughly gone through by the crooks, and although considerable silverware, gowns, a stool and other valuable items were touched, the pick of Mrs. Lawrence's wardrobe was taken.

Five very expensive gowns and a sink for piece were the only articles missed by Mrs. Lawrence. Late tonight, although a closer inspection may prove the loss of a man's coat, nature.

HOTEL ORMOND

The children's party on the west lawn at Hotel Ormond, held on Friday afternoon, and given by Mr. and Mrs. L. H. Johnson to the little ones of the Hotel Ormond and vicinity, was a tremendous success in every way, more than 200 children attending. There were games of all kinds from throwing the bean bag to the famous donkey with many tails. After the games the little ones were treated to a ride in the pony cart, and sat down to a very attractive luncheon of ice cream, cake and sandwiches. Before the close of the party the American flag was unfurled to the strains of "America" and E. T. Seaton gave a very interesting talk on woodcraft, birds and animals. Conspicuous among the throng were Mrs. Shiras, of Washington, D. C.; Mrs. T. Arthur Smith, of New York; Mrs. W. T. Barbour, Detroit, Mich.; Dr. and Mrs. J. Blake White, of New York City; Miss M. G. Haines, of New York City; Mrs. Bobb, A. McDuff, of Greenwich, Conn.; Mrs. W. H. H. of Haverstraw, N. Y.; Mrs. and Miss Lane, of New York City; Mrs. J. D. Price, of Ormond, and Mrs. J. J. Quibland, of Ormond.

The Ormond baseball team defeated Rollins college in a close game of 6 to 9. Had not Rollins weakened in the third inning, the game would have been nothing to nothing up to the clock. The batteries for Rollins college were Evans and Storey, and for the Hotel Ormond, McNulty and Christman. It is hoped that Ormond university will see fit to risk their laurels in a game with the Ormond team in the near future, as the Ormond boys feel confident that they can beat them in a return match.

H. B. Brewster while fishing on the Tomoka Friday had a very peculiar experience. While trolling an eagle, mistaking his phantom minnow for the real thing, scooped down and became entangled with the hooks. As a result Mr. Brewster's pole was broken and Mr. Eagle was considerably worse for the encounter.

Recent arrivals at the Hotel Ormond include: Tom King, Winter Park, Fla.; Parker Henderson, Winter Park, Fla.; Mrs. Fred Butler, Detroit, Mich.; Miss E. Allard, Hamilton, Ont.; Mr. and Mrs. Geo. E. Judd, Waterbury, Conn.; Geo. A. Linnach, Easton, Pa.; Mrs. Chas. Montgomery, Camden, Pa.; Miss Ruth E. Montgomery, Camden, Pa.; Mrs. N. A. McCabe, Schodack Landing, N. Y.; Miss J. S. Ormond Children Enjoy Camp-Fire With Chief Seton

Under the spell of that master leader of boys, Ernest Thompson Seton, were gathered Thursday afternoon in the George Shiras, III, jungle of Ormond Beach, a group of children and grownups augmented by the entire membership of about 100 at the Ormond school at the instance of Miss Leah Watters, who for the last three months has given the pupils glimpses into the childlike of many countries through her weekly story hour.

As the smoke of the sacred fire rose in their midst, dusky faces shone out in the darkness and all the jungle was again peopled with denizens of the wild. Before them hung the blacked emblem with the symbolic teaching of woodcraft and then followed an afternoon of witchery, of honorable mention for keen sight of nature's mysteries to Scouts Curtis Toll and Jack Colburn, of prizes for hand lamps from shells and strutting turkey gobblers from home comes to Scouts Cuckery, Lou Betty, Jessie Oltman and Betty Hembelle. Story of the hunt. The war dance was by Scouts Emily Duncan, Mary Caine and Ethel Potts. 2. Finding of the trail and surprise of the enemy won by Scouts Emily Duncan, Mary Caine and Elizabeth Bostrom. Outfitted chicken fight won by Scouts George Miller, Borden Winn and Elizabeth Bostrom. Dramatization of Red Riding Hood and Little Miss Muffet participated in by many of the scouts concluded by a wonderfully told original story of "How the rabbit got its solid nose" by Chief Ernest Thompson Seton.

"COOTIE" PARTY AT DAYTONA BEACH HOTEL HUGELY ENJOYED

C. F. Rich Winner of the Clarendon Open Tournament

The annual open tournament of the Clarendon Golf club was finished Saturday, March 12, when C. F. Rich, of Boston, defeated C. T. Payton, of St. Louis, in the final round of the first sixteen.

The tournament was the most successful ever conducted on these links and adds another stepping stone to the growing popularity of the Clarendon course.

In the qualifying round Fred Todd, of Youngstown, Ohio, won the first prize with a low score of 84. He was, nevertheless, eliminated in the second round of the first sixteen by D. G. Leggett, of Daytona.

Dr. Jos. F. Todd, of Brooklyn, won several very close matches before he captured the prize for winning the second sixteen.

The final matches for the two consolation prizes will be played Monday, March 14th.

There were over 40 entries in this year's tournament. Valuable prizes were presented by the Clarendon hotel, the winner of the first sixteen winning a gold clock, the winner of the beaten eight of the first sixteen receiving a golf bag, while the runner-up of the first sixteen won a dice set.

The winner of the second sixteen was presented with a gold and silver cigarette case, the winner of the beaten eight of the second sixteen receiving a dozen golf balls, the runner-up of the second sixteen received a dice set, while the winner of the quality ring round was given a cigarette holder.

whose most recent triumph was scored
with the everactive "Doug" in "The
Mark of Zorro," which was recently
proclaimed by the National Board of
Reviews as one of the master produc-
tions of 1920.

Gerald Pring, noted actor and stage
director, is also numbered among the
Fairbanks players. Until quite recent-
ly, Pring was stage director for Oliver
Morosco.

Sidney De Grey who played in "The
Mark of Zorro" as Don Alvaro, is also
portraying a role in the new Fair-
banks feature. De Grey has a very
distinguished record in the film world,
having appeared in such features as
Metro's "A Chorus Girl's Romance"
and with Will Rogers in "Jes' Call Me
Jim," "Almost a Husband" and "Water,
Water Everywhere."

Taken altogether, this combination
of names promises film entertainment
of the very highest type.

Walter Vaughn, the gifted young New York tenor, who has recently delighted large audiences at the Palladium club, the Auditorium and at the Congregational church, will this evening assist the quartette choir of the last named church in a short sacred concert in connection with the regular evening services. Canned goods, collars, chicken feed,
Frame this phrase up for your creed:
Buy at home!
Other folks may buy by mail,
You buy at home!
Help the home store to a sale,
Buy at home!
Every dollar sent away
Means a dollar lost to-day.
What is every right here today,
Buy at home!
Are you for your town or not?

Cheaper elsewhere? Yes, my friend,
Buy at home!
Home store qualities are true,
Home store merchants work for you,
This much then you ought to do:

Leading Hotels of the East Coast of the Great Winter Playground of the World

Visitors Coming to the East Coast of Florida May Be Assured of Good Service and Reasonable Charges at the Hotels Listed in These Columns

HOTEL CLARENDON

Mr. Clifton and Lady Sifton of Toronto, Canada, will arrive on Thursday at the Hotel Clarendon to spend the remainder of the season.

Mrs. David Dick of Toronto has arrived at the Hotel Clarendon to join her husband, who has been here for the past several weeks.

Mr. and Mrs. Charles J. V. Vinton, Mrs. Katherine Vinton and David J. Vinton of Minneapolis were guests at the Hotel Clarendon for luncheon recently.

Mrs. W. H. Yawkey and Miss D. M. Eids of New York are at the Hotel Clarendon on their return from a visit to Palm Beach. This is their second visit of the season at the Clarendon, as they were there on their way down earlier in the season.

Mr. and Mrs. E. P. Hayman, Mr. and Mrs. E. C. Lister and E. H. Lister, Jr., of Atlanta, Ga., who are motoring to their homes after having spent some time at the southern resorts, are spending some time en route at the Hotel Clarendon.

Paul R. Edmunds of Detroit is at the Hotel Clarendon, where he joined his father, George Edmunds, who has been there during the season.

Robert E. Conway, Neal Tyler and Charles G. Day of Jacksonville are at the Hotel Clarendon en route home from Palm Beach.

Other recent guests at the Hotel Clarendon include:

PRINCE GEORGE

The Prince George continues to be filled to its utmost capacity. As quickly as a guest leaves for the North another seems to arrive from the southern resorts to fill the vacancy. Many of the guests there have been interested in the golf tournament and some of the very good players come from the Prince George.

There are also at the Prince George a number of guests who during the winter months did not venture to the surf and now they are beginning to enjoy the salt sea bathing and are making the physical benefit.

Afternoons find the big shady porch filled with those enjoying their favorite game of cards, and many women will be seen there busily engaged in various kinds of needle work.

Many of the guests of the Prince George who have been spending some time after a season there have made numerous friends among the local and year-round residents, and all such find their time most pleasantly engaged in the social life of the three cities.

PALM BEACH HOTEL
Royal Poinciana R. R. Station, over by the sea. Modern, holds 400. Adjoins the largest hotel. Less formal with more modern rates. Handy to golf, bathing beach, and outdoor concerts. Stop in the resort proper. Costs no more. Our enlarged capacity allows us to assure you of nice rooms for the big time here February 20 to 22, and St. Patrick's Day Ball. Engage now. Also central to all attractions for the great Sun Dance Festival, March 7, 8, 9, 10. Open into April.

Underlying and Overtopping All---The Excellent CHURCHES AND SCHOOLS OF THE HALIFAX COUNTRY

At the top of the long list of unexcelled advantages offered by THE HALIFAX COUNTRY are the greatest of them all, its CHURCHES and its SCHOOLS. Whereas for years this section has been famous as a resort at which to find comfort, health and pleasure, it has now become so well developed in all phases of community growth that it ranks high as an ideal home spot in which to bring up a family.

The rare atmosphere of culture and quiet refinement brought about by the excellence of the CHURCHES and SCHOOLS of THE HALIFAX COUNTRY could be frankly acknowledged by all to be chief of the assets which make this such a wonderfully delightful and satisfying community of which to be a member. Without large and responsive church life and schools of exceptional merit, no community is a safe or desirable place in which to live. Both the spiritual and educational aspect of the people must be well cared for and encouraged to larger growth. The pastors of the CHURCHES of the HALIFAX COUNTRY are men who are devoting every ounce of their energy to the furtherance of Religion and Christian principles in the lives of old and young alike in every home in this locality.

While improving so far as possible its natural beauties, while building golf courses, good roads, and other attractions, the HALIFAX COUNTRY has not been unmindful of the education of its children, nor the fulfillment of the spiritual needs of its citizens. Indeed these two features have received an even greater share of attention and interest. The result has been one of the greatest educational systems in the State and in the South, and exceptional opportunities for training the young mind. Also the building of a large number of Churches and the development of rich community Church life.

Residents of the HALIFAX COUNTRY are immensely proud of the educational system which this district offers. Of its splendid imposing structures on both sides of the Halifax River.

The people have seen to it that the school system has an ideal "workshop" in every community. School houses profusely dot the cities and towns of the HALIFAX COUNTRY. Those in charge of the education spare nothing that only the best and most efficient members of faculties have charge of the methods in instilling into the minds of the young that knowledge which will fit them for their life work.

The growth of the schools of the HALIFAX COUNTRY has been remarkable in recent years, a large proportion of the students coming from northern homes. The high rating of the Halifax Schools affords an exchange from even the largest of northern schools without the disadvantages of losing one iota of educational value.

Accredited with all the larger colleges and universities, the Schools of the Halifax Country are looked up to by higher educational centers as one of the most proficient builders of scholars for advanced education in the state.

Application to the work of building the best educational system possible; the selection of the most efficient faculties, and furnishing of school houses with every advantage for learning—these have been the aim and endeavors of the leaders in education in the Halifax Country, resulting in a school system of which the Halifax Country feels proud and to which every pupil is received with assurance of continued educational methods of the highest order.
